

The Martin Sisters Band are the fiddling sisters, Emily, Melissa, and Christy Martin from Newmanstown, Pennsylvania. The girls, along with guitar player, Butch Imhoff, and bass player, Eric Fisher, will entertain you with their three part harmonies and bring you a lively mix of Western swing, 40's swing, and Jazz.

The award-winning Martin sisters have been playing the fiddles since age five, and began their musical career traveling with their family band, the Celtic Martins, in 2004. They joined up with Butch and Eric in 2014 and perform at events all over central Pennsylvania, including the MAAM WWII Weekend, the Kutztown Folk Festival, and WEEU's Sound Room.
