EDITH KIRK KNERR AWARD

This award is to encourage all clubs. Clubs are judged according to their size and activity. This allows all clubs to showcase their strengths without feeling overwhelmed by the size and outreach of other clubs.

Each year as the Senior Rating Sheet is completed the Edith Kirk Knerr application should be completed also. It should be submitted by July 30 of the current year to the address below.

Clubs are judged and awarded monetary awards in the categories. When a club wins the club is not eligible to receive an award the next year, but may submit an application. This allows all clubs to have a chance to win.

Please fill out the application and send it. I have put "Current Year" on it so that it can be copied and used for any year the club enters. Please fill in the year when you complete the form.

Musical successes,
